A INIMITABLE COMPANY

Fábrica Nacional de Moneda y Timbre-Real Casa de la Moneda (FNMT-RCM) offers institutions and companies the possibility of holding a range of events in the stylish, traditional setting afforded by the premises at its museum, Museo Casa de la Moneda.

With a capacity for over 400 attendees, the 410 m² Auditorium and its audiovisual room are fitted with all the technological equipment necessary for any kind of act, presentation or conference. In addition, the historic rooms – Goya Room, Columbus Room and the Boardroom–, each with its own personality, are the perfect choice for parties, receptions, encounters, lunches and dinners.

FNMT-RCM places its creativity and technology at the disposal of those companies and official bodies wishing to have medals minted to commemorate a special event, to be given as presents or for commercial purposes.

There is a wide range of articles at the Museum Shop, ready to be personalised to commemorate any event as it takes place.

Security labels to certify official merchandising articles made for major events and commemorations.

Intaglio printing adds prestige and value to the reproduction of an image, Christmas cards and mass reproductions to be used as corporate gifts. Graphic items such as our own artists' lithographs and engravings make ideal presents and courtesy gifts.
